INDEX

Volume Five—January through December 1989

the journal of Pharmacy Technology

January/February	Pages 1-48	July/August	Pages 141-192
March/April	Pages 49-88	September/October	Pages 193-232
May/June	Pages 89-140	November/December	Pages 233-270

A

Absher, Randall K. (coauthor) see **Willett, Michael S.**, 14

Ackerman, Stephen J. (author) Doing More Good than Harm with Children's Medications (A) 98

Acute Tumor Lysis Syndrome (A) 10

Acute tumor lysis syndrome, role in antineoplastic therapy (A) 10

Administration Guidelines for Parenteral Drug Therapy, Part I: Pediatric Patients (A) 101; Part II: Adult Patients (A) 153

Adverse drug reactions, drug-related deaths, book review, 196; new software available for drug interactions (WN) 137; reduced adverse effects with inhaled pentamidine (PF) 145; telephone numbers of manufacturers for reporting (A) 27

AIDS, biotechnology as source of new AIDS therapies (TT) 80; nebulized pentamidine offered free to community-based centers (WN) 257; related diseases, cytomegalovirus retinitis, ganciclovir approved for use (WN) 188; Kaposi's sarcoma, recombinant interferon alfa-2b approved for use (WN) 45; *Pneumocystis carinii*, reduced adverse effects with pentamidine when inhaled (PF) 145

Alexander, Bruce (coauthor) see **Sobotka, Jenelle L.**, 93

Alzheimer's Disease, review (TT) 134

Ambulatory infusion systems, Abbott acquires Pancretec (WN) 227

INDEX ABBREVIATIONS

A:	Article

Ameer, Barbara (author) Preparation and Stability of an Oral Suspension of Dipyridamole (A) 202

American Association of Colleges of Pharmacy, activities to resolve technician issues (E) 89

American Managed Care Pharmacy Association, new name (PF) 144

American Pharmaceutical Association, activities to resolve technician issues (E) 89; code of ethics (E) 49, (HQ) 88; new chief executive officer named (PF) 131

American Society of Hospital Pharmacists, accreditation of technician programs (A) 210; activities to resolve technician issues (E) 89, (E) 193, (L) 196; Task Force on Technical Personnel Final Report (PF) 130; updates drug-product selection guidelines (PF) 257

Ampul, new gripper device for breaking (WN) 227

Angiotensin-converting enzyme inhibitors, use in treatment of congestive heart failure (A) 146

Animal health care, future trends in drugs and biological market (TT) 222

Announcements, Association of Pharmacy Technicians Convention '89, 63; *journal of Pharmacy Technology*, author guidelines JF-ifc, MA-ifc, JA-ifc, ND-ifc; back issues/reprints JF-ibc, MA-ibc, MJ-ibc, JA-ibc, SO-ibc, ND-ibc; Pharmacy International Christians Association breakfast, 97

Antiarrhythmic agents, adenosine approved by FDA (WN) 257; review (A) 238

APT Member in Italy (L) 52

Arrhythmias, Electrolytes, and Antiarrhythmics in Heart Failure (A) 238

Arrhythmias, in heart failure, review (A) 238

Arthritis, flurbiprofen approved (WN) 44

Assessing Pharmacy Technician Manpower: Defining Types of Technicians (P) 86

Association News, APT Announces Regionals, 39; APT Regionals Held, 129; Chapter of the Year Named, 187; Chapters Elect New Officers, 129; Convention '89, 39; Convention '89 Highlights, 214; Convention '89 Program, 129; Convention '89 Program Announced, 73; Executive Board Affiliates New Chapters, 129; Executive Board Approves Four New Chapters, 39; Founders Award Recipient Named, 187; New Mass Technician of the Year, 39; New Officers for 1989-90 Announced, 187

Association of Pharmacy Technicians, annual meeting highlights (AN) 214; Chapter of the Year announced (AN) 187; continuing education test, 47, 139, 190, 228, 262; Convention '89 announcement, (AN) 63, (AN) 129; Founders Award recipient announced (AN) 187; involvement and opportunities (PC) 38; need for a code of ethics (L) 52; need for position statements (PC) 219; new affiliates (AN) 129; new chapter approvals (AN) 39; new chapter officers (AN) 129; new national officers announced (AN) 187; professionalism through APT (PC) 72; Regional Meetings held (AN) 129

Author guidelines, JF-ifc, MA-ifc, JA-ifc, ND-ifc

Awards, technician, APT, Chapter of the Year (AN) 187, Founders Award (AN) 187; Massachusetts Society of Hospital Pharmacists, Technician Excellence Award (PF) 144; New Mass APT, Technician of the Year (AN) 39

B-C

Baker, Christine (author) Correction: Manufacturers Listing (L) 92

Ballington, Don A. (author) The Future for Technician Education (A) 210

Becher, John A. (author) Immunobiologics and Drugs Available from the Centers for Disease Control (A) 181

Beck, Carol L. (coauthor) see **Pucino, Frank**, 53

Book Reviews, see **Publications, New**

Books Received, 8, 76, 187, 197, 237

Brewing Your Own Opportunities (PC) 39

Buproprion hydrochloride, approved for depression (WN) 188

Buspirone, use in treatment of self-injurious behavior (PF) 254

Butalbital/Acetaminophen, generic approved (WN) 46
Calcium supplementation, effervescent formulation available (WN) 227
Callahan, Ronald J. (coauthor) see **Ameer, Barbara,** 202
Capsaicin, topical, analgesic for peripheral diabetic neuropathy (WN) 258
Carboplatin, approved for recurrent ovarian cancer (WN) 83
Cardiac disease, see also, **arrhythmias, congestive heart failure;** rehabilitation programs and drug education (A) 57; surgical and nonsurgical procedures (TT) 43
Cefixime, new oral third-generation cephalosporin (WN) 226
Centers for Disease Control, drugs available (A) 181; head lice (WN) 189; hepatitis B (WN) 189
Cephalosporins, third-generation, cefixime available (WN) 226; overview (A) 14
Cephalosporins: A Basic Overview and Clinical Perspective, Part II: Focus on the Third-Generation Cephalosporins (A) 15
Certification, see **Credentialing**
Certification: Another Viewpoint (L) 4; author's reply (L) 5
Cholesterol, booklet written for children (PF) 222; pharmacy council for cholesterol education (PF) 77
Cholestyramine, chewable bar developed (WN) 45; new lighter formulation developed (WN) 138
Cisplatin, aqueous formula approved (WN) 45
Clifford, Jerry H. (author) Pharmaceutical Manufacturers Listing: 1989 Update (A) 27
Clorazepate dipotassium, disintegration problems (PF) 40
Clozapine, review (A) 93
Clozapine: A New Antipsychotic (A) 93
Code of Ethics (E) 49
Colchicine, use in pediatric cirrhosis (PF) 79
Collagen sponge, new product introduced for hemostasis (WN) 259
Comment: Is Pharmacy History Repeating Itself? (L) 196
Compliance, patient, reminder cap developed (WN) 83; study using monitoring cap, 223
Congestive heart failure, use of angiotensin-converting enzyme inhibitors (A) 146
Contamination Risks of Multidose Medication Vials: A Review (A) 249
Convention '89, announcement (AN) 63, (AN) 129; highlights (AN) 214
Coronary artery disease, preparation of oral dipyridamole suspension for thallium-201 diagnostic scanning purposes (A) 202
Coumadin, tablet color change (WN) 44
Credentialing, technician certification, in Illinois (L) 4, (PF) 40, (PF) 77; in Michigan (A) 24

D-E

Destache, Christopher J. (author) book review, 74
Dexter, Patricia Delk (author) Assessing Pharmacy Technician Manpower: Defining Types of Technicians (P) 86; (author) Author's Reply: Certification: Another Viewpoint (L) 5; (author) Continuing Education for Technicians (P) 263; (author) Orientation and Training of Technicians (P) 191; (author) Technician Education: What Lies Ahead? (P) 230
Diem, John (author) Do Technicians Need a Code of Ethics? (L) 52
Digoxin, elixir available in unit dose and multiple-dose packages (WN) 84; use in treatment of arrhythmias (A) 238
Diltiazem, joint venture to market generic formulations (WN) 227
Dipyridamole, preparation of an oral suspension (A) 202
Dispensing, mail order procedures and errors (E) 1; physician (HQ) 84
Do Technicians Need a Code of Ethics? (L) 52
Doing More Good than Harm with Children's Medications (A) 98
Dosages, adjustments reduce hospital costs (PF) 133; pediatric age and weight dosages (table) (A) 100; altering oral solid dosage forms (U) 140; aspirin and acetaminophen dosages (A) 100; calculating body surface area (U) 48; incorrect dosing of children at home (PF) 220; intravenous drug dosages (A) 101, 153; methods to calculate dosages (U) 48
Dragotakes, Stephen C. (coauthor) see **Ameer, Barbara,** 202
Drug administration, adult guidelines for parenteral drug therapy (A) 153; altering oral solid dosage forms (U) 140; new delivery systems (TT) 256; new delivery systems (WN) 136; pediatric guidelines for parenteral drug therapy (A) 101
Drug information, cardiac rehabilitation programs (A) 57; outreach to parents to medicate children properly (PF) 220; product-selection guidelines published (PF) 254; telephone numbers of manufacturers (A) 27, 92
Drug storage, guidelines for clorazepate tablets (PF) 40; new monitor for refrigerator (WN) 138
Editorial, Thordsen, Donna J., Code of Ethics, 49; **Whitney, Harvey A.K. Jr.,** Errors as a Way of Life: Part IV. Summary Commentary, 1; Has the Era of Technicians Arrived? 193; Is Pharmacy History Repeating Itself? 89; Pharmacy Technician Survey: Part One, 141; Technician Education: A Sine Qua Non, 233
Education and training, technician, accreditation of programs (American Society of Hospital Pharmacists) (A) 24; conference for technician educators, announcement (PF) 77, 254; continuing, model for internal programs (P) 263, need for programs (A) 212, reimbursement (E) 233, role of *jPT* (L) 52; differences between orientation and training programs by employers (P) 191; future trends (A) 210, (P) 230; in U.S. Army (A) 23; need for educational standards (L) 4, (P) 86
Einarson, Thomas R. (coauthor) see **Ilersich, A. Lane,** 6
Errors as a Way of Life, Part IV. Summary Commentary (E) 1
Errors, medication, error-related deaths, book review, 196; in mail-order pharmacy (E) 1; incorrect use in children (PF) 220; summary discussion (E) 1
Erythropoietin, need for iron supplementation (PF) 221; receptor discovered (PF) 132
Estrogen, buccal tablet reduces hot flashes (PF) 221
Ethics, 1848 Code of Ethics (HQ) 56; American Pharmaceutical Association Code of Ethics (E) 49, (HQ) 88; need for technicians code (E) 49, (L) 52

F-I

Factor VIII, cross-licensing agreement for genetically engineered product (WN) 136
Fong, Phillip A. (author) Prescription Counseling by Pharmacy Technicians: Acceptable or Not? (A) 246
Food and Drug Administration, approval for, adenosine (WN) 257, aqueous cisplatin (WN) 45, buproprion hydrochloride (WN) 188, carboplatin (WN) 83, cholestyramine resin bar (WN) 45, flurbiprofen (WN) 44, ganciclovir sodium (WN) 188, hepatitis B vaccine, recombinant, lower dosage (WN) 189, human immune globulin (WN) 45, ifosfamide (WN) 82, interferon, recombinant alfa-2b for Kaposi's sarcoma (WN) 45, leuprolide acetate (WN) 82, mesna (WN) 82; Drug Quality Reporting System (PF) 40; proposed warnings for aspirin and acetaminophen (PF) 41
Forbes, Dave (coauthor) see **Pucino, Frank,** 53
Future for Technician Education, The (A) 210
Ganciclovir sodium, approved for cytomegalovirus retinitis (WN) 188
Gee, Michael (coauthor) see **Thompson, Dennis F.,** 249
General Clinical Research Centers, description (A) 206
Geriatrics, altering solid dosage formulations for elderly patients (U) 140; therapeutic drug monitoring program in long-term care facilities (A) 53
Graves, David A. (author) book review, 196
Hart, Linda L. (coauthor) see **Palmieri, James A.,** 243
Has the Era of Technicians Arrived? (E) 193
Heparin, blood filter for removal (PF) 42
Hepatitis B vaccine, recombinant, lower dosage indication approved for infants, children, and adolescents (WN) 189
Historical Quotes, see **Quotes, Historical**
Hoag, Stephen G. (coauthor) see **Pucino, Frank,** 53
Human immune globulin, intravenous, Abbott buys distribution rights (WN) 189
Ifosfamide, approved for refractory testicular carcinoma (WN) 82
Ilersich, A. Lane (author) book review, 6
Illinois Council of Hospital Pharmacists, technician certification program (L) 4, (PF) 40, 77
Immunobiologics and Drugs Available from the Centers for Disease Control (A) 181
Immunobiologics, review (A) 181
Incontinence, self-study program available (PF) 255
Influenza, Haemophilus B, vaccine approved (WN) 44
Insulin, changes in labeling and packaging (WN) 258
Interferon, recombinant alfa-2b, approved for use in Kaposi's sarcoma (WN) 45
Invitational Conference on Technical Personnel in Pharmacy, comments (E) 193
Is Pharmacy History Repeating Itself? (E) 89
Isotretinoin, follow-up study of women using Accutane (PF) 220

J-M

Jaffry, Edward S. (author) book review, 92
Johnston, Daniel J. (author) Problems, Needs, and Opportunities (L) 52

Joint Commission of Pharmacy Practitioners, add new member (PF) 144
journal of Pharmacy Technology, **author guidelines,** JF-ifc, MA-ifc, JA-ifc, ND-ifc; **reprints,** columns, opinions, & standards, MA-ibc, JA-ibc, ND-ibc, major articles, JF-ibc, MJ-ibc, SO-ibc
Kavanagh, Ronald E. (coauthor) see **Klaus, Jennifer R.,** 101, 153
Klaus, Jennifer R. (author) Administration Guidelines for Parenteral Drug Therapy: Part I. Pediatric Patients (A) 101, Part II. Adult Patients (A) 153
Knodel, Leroy C. (coauthor) see **Klaus, Jennifer R.,** 101, 153
Kolar, G. Ronald (coauthor) see **Thompson, Dennis F.,** 249
Letassy, Nancy A. (coauthor) see **Thompson, Dennis F.,** 249
Letters, APT Member in Italy, Smith, Randy R., 52; Certification: Another Viewpoint, Simon, Lee S., Pierpaoli, Paul G., Meyers, Scott A., 4; Author's Reply, Dexter, Patricia D., 5; Comment: Is Pharmacy History Repeating Itself? Zellmer, William A., 196; Correction: Manufacturer's Listing, Baker, Christine, 92; Cramming to Survive, Roberts, George H., 236; Do Technicians Need a Code of Ethics? Diem, John, 52; No Techs for Me, Anon., 92; Problems, Needs, and Opportunities, Johnston, Daniel J., 52
Leuprolide acetate, approved for prostate cancer (WN) 82
Literature, From the, how often is medication taken as prescribed? a novel assessment technique, Cramer, J.A., Mattson, R.H., Prevey, M.L., Scheyer, R.D., Ouellette, V.L., *JAMA* (1989), 223
Long-term care, consultant pharmacy policies (PF) 41; survey of beds in use (PF) 42
Magnesium, deficiency implicated in hypertension (PF) 78
Malathion, pediculicide lotion available (WN) 226
Malone, Patrick M. (author) book review, 8
Mesna, approved for use to reduce effects of ifosfamide (WN) 82
Methadone, concentrated oral solution developed (WN) 84
Metoclopramide, syrup available in unit-dose and multiple-dose packaging (WN) 138
Metolazone, name change for Mykrox (WN) 46
Metronidazole, topical, approved for rosacea (WN) 46
Meyers, Scott A. (coauthor) see **Simon, Lee S.,** 4
Misoprostol, unit-of-use packaging developed (WN) 82
Miwa, Linda J. (coauthor) see **Clifford, Jerry H.,** 27
